

Cookies Policy

What is a cookie?

A cookie is a small text file that a Website stores on Your PC, telephone or other device, with information on Your movements on that site. Cookies are necessary to facilitate browsing and make it user-friendly, and they do not damage Your computer.

While this policy uses the general term “cookie”, as it is the main method for storing information used by this Website, the browser’s “Local Storage” space is also used for the same purposes as the cookies. All the information included in this section is also applicable to this "Local Storage".

What are cookies used for on this Website?

Cookies are an essential part of how Our Website works. The main purpose of Our cookies is to improve Your browsing experience. For example, they are used to remember Your preferences (language, country, etc.) while browsing and on future visits.

The information collected in the cookies also enables Us to improve the site by estimating numbers and patterns of use, the suitability of the Website to the individual interests of the users, quicker searches, etc.

On occasion, if We have obtained Your informed consent in advance, We may use cookies, tags or other similar devices to obtain information that enables Us to show You, on Our own Website, those of third parties, or any other means, advertising based on the analysis of Your browsing habits.

What are cookies NOT used for on this Website?

We do not store sensitive information which could identify You as Your address, password, credit or debit card number, etc. in the cookies from Our Website.

Who has access/use this Website’s cookies?

The information stored in the cookies from Our Website is used exclusively by Us, except for those identified below as "third-party cookies", which are used and managed by external entities to provide services requested by Us to improve Our services and the experience of the user when browsing Our Website. The primary services for which these "third-party cookies" are used are to obtain access statistics and to guarantee any payment operation made.

How can I avoid using cookies on this Website?

If You prefer to avoid the use of cookies on this page, taking into account the limitations described above, You must first disable the use of cookies in Your browser and then delete the cookies saved in Your browser associated with this Website.

You may use this option for preventing the use of cookies at any time.

How can I disable and eliminate the use of cookies?

You may restrict, block or delete the cookies from this Website at any time by modifying Your browser configuration in accordance to the instructions given below. While settings are different in each browser, it is usual that the cookies configuration is made in the menu “Preferences” or “Tools”. For

further details of the configuration of cookies in Your browser, see the “Help” menu of the same.

What specific cookies uses this Website and for what purposes?

The information below shows the cookies, tags and other similar devices used by this Website, together with information on the purpose, duration and management (proprietary and by third parties) of them.

Oysho audited cookies ES

Domain	Owner	Cookie name	Type of cookie	Functionality	Expiry
